

Theratechnologies to Host Investment Community Webcast on March 1, 2017

MONTREAL, CANADA, February 24, 2017 - Theratechnologies Inc. (TSX: TH) (Theratechnologies) announced today that it will host an Investment Community Webcast on March 1, 2017, at 9:00 a.m. (Eastern Standard Time), and should conclude at approximately 11:00 a.m. (Eastern Standard Time).

The Webcast will be hosted by Luc Tanguay, President and Chief Executive Officer, and will also feature presentations by Philippe Dubuc, Senior Vice President and Chief Financial Officer, Christian Marsolais, Senior Vice President and Chief Medical Officer, and Lyne Fortin, Senior Vice President and Chief Commercial Officer. Theratechnologies intends to provide detailed information on its growth strategy, particularly regarding its ibalizumab commercial launch preparation, as well as provide updated 2017 financial guidance. The Webcast will provide an opportunity for both investors and analysts to ask questions about the company's activities.

The Webcast will be accessible at: <http://edge.media-server.com/m/p/9d7xx6dr>. The replay of the event will be available shortly after the Webcast on this same link.
